goodbye to
single-use plastic
picnicware.**

**That's
today's
fresh food
people.**

We're playing our part to grow even greener by reducing plastic waste. That's why Woolworths has removed all single-use plastic picnicware (like cutlery, cups, plates and bowls) from our shelves nationwide, saving approximately 2,100 tonnes of plastic from going to landfill every year. Instead, you'll now find more environmentally friendly alternatives.
